22/7/2009 4:44:17 Constantin Burlacu, PhD (quest): JIDANII SUNT ANTI-SEMITI SI IMPOTRIVA UMANITATII =Scrisoare Deschisa= 17 Aprilie 2009 Onorabil Christopher H. Smith (R-N.J.) Congressman al Statelor Unite Washington, DC Office 2373 Rayburn House Office Building Washington, D.C. 20515 p 202-225-3765 f 202-225-7768 Stimata D-le Smith: Inainte de toate permiteti-mi sa ma prezint. Numele meu este Constantin Burlacu si sunt un nationalist, anti-comunist si luptator pentru libertate original din Romania. In 1980 am venit cu familia in Statele Unite ale Americii, ca refugiat politic, pentru a scapa de persecutiile indurate sub regimul dictaturii comuniste din fosta Republica Socialista Romania. Venind in aceasta noua tara, am continuat lupta contra tiraniei regimului comuniste din patria mea natala care continua sa persiste si astazi. Datorita activitatii depuse de marele patriot si erou american Ronald Reagan, pentru care am o mare admiratie si respect, regimurile anti-umane ale imperiului diabolic comunist din fosta Uniune Sovietica si fostele tari comuniste din estul Europei au fost zdrobite. Eu mi-am sacrificat multi ani din viata mea in lupta cu monstru comunist, iar raniile suferintelor indurate sub regimul totalitar comunist, nu sunt inca vindicate. Din exil, in 1985 impreuna cu alti patrioti, noi am reactivat Liga Apararii Nationale, o organizatie romaneasca ultranationalista fondata in 1924 in Iasi, Romania, pentru a apara cauza nationala si de a lupta contra conspiratiei Judeo-comuniste. Si dvs. nu va poti imagina cat de bucuros sunt, ca mi-am facut datoria de onoare, de a contribui la distrugerea imperiului diabolic comunist din Romania si alte foste tari comuniste, iar lumea din tara mea natala poate respira astazi aerul libertatii si al democratiei. Ca cetatean American eu lupt pentru a para Constitutia si libertatea Americana. Si sunt impotriva internationalistilor de stanga care incearca sa distruga aceasta mare natiune, primul si al doilea amendament si intentioneaza sa transforme aceasta democratie intr-o tiranie asa cum a fost in Uniunea Sovietica. Din presa Americana, mai exact din American Free Press from Washington, D.C. am aflat ca, recent ati participat la Londra la o Conferinta despre Anti-Semitism si va ocupati mai mult de problemele de "Semitism" si "anti-Semitism" decat de gravele probleme ale crizei economice, financiare, industriale, comerciale si sociale cu care se confrunta astazi Statele Unite. De ce? Sunt pentru dvs. mai importanti jidanii decat americanii, ori interesele statului Israel mai importante decat interesele Statelor Unite? Ori dvs. chiar credeti in falsa versiune ca "jidanii sunt poporul ales al lui Dumnezeu" de le acordati atata importanta? Daca da, puteti sa-mi aratati in Tori ori in Biblie un singur cuvant scris de Dumnezeu cu mana lui din care sa rezulte ca jidanii sunt "fiii lui Dumnezeu" si trebuie sa detina suprematia in lume? Daca ei ar fi cu adevarat fiii lui Dumnezeu, credeti ca Dumnezeu i-ar fi lasat sa se infecteze cu lepra si ale boli contagioase, sa fie sclavi ai Egiptului si Imperiului Roman, sa indure pogromuri in Rusia si multe alte tari, ori sa indure "holocaustul" nazist?! In afara de aceasta, se stie bine ca jidanii comunisti au fost atei, deci nici nu vroiau sa auda de Dumnezeu. Si-atunci, cum pot fi acestia considerati "Fiii lui Dumnezeu" ori "Fiii Luminii"? Nicivorb! In articolul "Congresmenul Chris Smith impinge schema globala pentru a pune jos si pedepsi "anti-Semitii" din AFP (www.americanfreepress.net), Michael Collins Piper a spus: "Acesta trebuie sa fie o ingrijorare pentru toti Americanii si alti oameni din jurul globului care pun pretul pe libertatea de exprimare. Acesta este un semnal ca Smith si altii cu minte asemanatoare planuiesc o ordine

stabilita de masuri legale pentru ingradirea libertatii cuvintului care percepe de a fi critic al agendei politice ale organizatiei comunitatii jidanesti, inclusive interesele de stat ale Israelului. In aceasta privinta, este importat de recunoscut ca in ciuda faptului ca termenul de "anti-Semitism" din punct de vedere istoric se spune ca este ostil or discriminator contra jidanilor ca religie ori grup rasial (in ciuda faptului ca arabii sunt semiti), insemnatarea acestui termen a fost extins in anii recenti de a include pana si criticarea actiunilor de stat ale Israelului ca si opozitia fata de sionism, miscare care a fondat statul Israel si care mentine o retea de suport global pentru Israel." Aceasta este o situatie foarte alarmanta, de aceea inainte de a impune legi dictatoriale in Statele Unite, cu "penalitati serioase" impotriva celor care spun adevarul despre raul si pericolul ce-l reprezinta jidanii si Israelul pentru umanitate, va rog sa-mi spuneti cum definiti termenul de alb, negru, asiatic, semit, ca fiind rasial ori religios? Va intreb aceasta pentru ca foarte multi confunda intentionat termenul etnic de semitism cu termenul etic de judaism. Din cate stiu, termenul de "anti-Semitism" a fost inventat acum circa 150 de ani in Germania de catre un ziarist german si acum tot un german dupa numele de Smith vine sa condamne fenomenul "anti-Semit". Tinand cont de aceste circumstante, termenul de "anti-semit" este in exclusivitate o problema stricta germana-jidaneasca si nu inteleg de ce dvs. vreti sa impuneti aceasta ca o problema globala?! Atat eu cat si familia mea, precum si milioane de romani inocenti din Romania si Moldova am fost victime ale imperiului diabolic jidanesc impus de catre jidanii bolsevici sovietici in tara noastra natala. In timpul regimului tiraniei sionisto-comunist din Romania si Moldova, peste un milion de romani inocenti au fost ucisi, peste un milion si doua sute de mii au fost deportati in gulagul sovietic, iar peste cinci milioane de romani - tarani, muncitori si intelectuali - au fost crunt persecutati si torturati in inchisorile comuniste de catre jidani ori din ordinul jidanilor, care conduceau aparatul represiv comunist. Si nu inteleg de ce dvs. imi rapiti mie si milioanele de romani victime ale tiraniei jidaneasca-comuniste dreptul de a vorbi despre sangeroasele persecutii indurate sub dictatura jidaneasca-comuniste, si considerati aceasta adevar ca "ura criminala" ori "incitarea la violenta contra jidanilor", ori "ostilitate fata de interesele jidanilor ori a statului Israel" ??? Este bine cunoscut faptul ca, atunci cand, regimul nazist s-a prabusit in Germania, Statele Unite i-au adus imediat pe nazisti in fata justitiei si i-au pedepsit aspru si a impus un program de de-nazificare. De ce, atunci cand regimul comunist s-a prabusit in 1990 in Rusia si tarile din Europa de Est, Statele Unite n'au impus un program de decomunizare si nu i-au adus pe comunisti in fata justitiei si pedepsit pentru abuzurile, crimele, genocidul si holocaustul rosu comis contra a peste 60 de milioane de oameni inocenti, pentru ca comunismul a fost creat si condus in marea majoritate de jidani cu concepii de stanga marxist-leniniste? Aceasta este ridicol si injust! Este foarte nedrept faptul ca cei care vor sa scoata adevarul la iveala despre conspiratia jidaneasca si despre industria holocaustului sunt aspru condamnati in Germania, iar jidanii comunisti care au condus Germania de est si alte tari foste comuniste si au comis cele mai oribile acte de violenta, teroare si crime se plimba liberi prin Europa, Statele Unite si Israel. Intro declaratie ati spus: "Holocaustul aduce aminte si ingaduieste extinderea dramatica necesara educatiei, si noi trebuie sa asiguram ca legile noastre respective pedepesc pe acestia care urasc si incita la violenta impotriva jidanilor." Dvs. vorbiti foarte mult despre "holocaustul" nazist contra jidanilor care a avut loc in Germania, dar nu scoateti un cuvint despre crimele, genocidul si holocaustul care a avut loc in America contra nativilor americani. De ce? Ei n'au fost tot fiinte umane?! In afara de aceasta, indienii americani au avut o cultura si civilizatie mult mai veche si mai importanta decat a jidanilor. Pana si astazi cand Statele Unite impune cu forta armata democratiea in jurul globului, nativii americani sunt tinuti in rezervatie si privati de drepturi pe propriul lor pamant. Eu n'am fost nascut in timpul asa-zisului "holocaust nazist" impotriva jidanilor, dar ca si multi altii imi pun si eu intrebarea "Chiar au murit in realitate sase milioane de jidani" in timpul celui de al doilea razboi mondial? Deci nici mai mult nici mai putin, ci exact 6 milioane de jidani? Interesant nu?! Si cum dvs. sunteti un "expert" in probleme de "holocaust" si "anti-Semitism" puteti sa-mi spuneti cum au fost aceste 6 milioane de jidani ucisi de catre nazisti, prin impuscarea de catre plutoanele de executie, gazare, arderea de vii in cuptoare, infometare, boli, ori moarte naturala? Si cati jidani au murit prin impuscarea de catre plutoanele de executii? Cati prin gazare? Cati prin ardere de vii in cuptoare? Cati prin infometare? Cati din cauza

boilor ? Cati prin moarte naturala ? De asemenea, puteti dvs. sa prezentati lista cu numele celor 6 milioane de jidani ucisi in holocaustul nazist ? Ori acest adevar nu trebuie sa fie cunoscut oficial, iar astfel de intrebari sunt considerate manifestari "anti-Semite" ori actiuni de "ostilitate fata de interesele jidanilor ori a statului Israel" ? Cum adica se stie cu exactitate despre obiectele de arta pe care nazistii le-au confiscat de la jidani, apoi au fost preluate de soldatii anglo-americani si sovietici si vandute in New York, Paris, Londra, Moscova ori alte parti si nu se cunoaste din registrele oficiale germane si ale altor natii europene, numele jidanilor disparuti in "holocaustul" nazist ? Hai sa fim seriosi D-le Smith ! Dupa cum a scos in evidenta un istoric israelian Brayan Mark Rigg, in cartea sa "Soldatii lui Hitler" (University Press of Kansas,2002), foarte multi jidani au avut pozitii inalte in Armata Nazista si in Partidul Nazist,dar jidanii nu-i acuza pe acestia jidani-nazisti pentru ce s-a intamplat cu jidanii in timpul "holocaustului" nazist. Ei nu doresc sa discute despre aceasta, dar ei ii acuza numai pe descendentii germani ca sunt responsabili pentru "holocaustul" nazist. Un alt istoric jidan Norman G.Finkelstein in cartea lui "Industria Holocaustului --Reflectii asupra exploatarii suferintelor jidanilor" (USA: 180 Varick Street, New York, NY 10014-New Left Books, 2003), a scris ca supravietuitorii holocaustului nazist, au primit o compensatie minima, din zecile de miliarde de dolari platiti de Germania, iar restul marilor sume de bani au fost retinuti de catre organizatiile jidanesti ale sionismului, care nu au nimic comun cu holocaustul. Pentru a stoarce bani de la Germania, jidanii au spus ca 6 milioane de jidani au fost ucisi de catre nazisti. Dar niciodata ei n'au dovedit aceasta prin numaratoarea jidanilor dupa numele lor oficial rezultat din documentele aflate in arhive, si aceasta este neacceptabil ca o fapta adevarata. Nu ma indoiesc ca pretinsul Holocaust Nazist este o industrie pentru a colecta cat mai multi bani, dar aceasta este total injust. La fostul lagar de concentrare de la Auschwitz, pana in 1994, a fost plasata o placa comemorativa din care rezulta ca acolo au murit 4 milioane de jidani. Apoi acea placa a fost inlocuita cu alta, pe care este mentionat ca acolo au murit 1.2 milioane de jidani. Asadar, una din doua, au murit acolo 4 ori 1.2 milioane de jidani, ori ambele cifre sunt false ? Un supravietuitor al holocaustului nazist, Eliezer "Elie" Wiesel "Lazar", nascut in vestul Romaniei (regiune ocupat ilegal de catre armata hortista a Ungariei, in timpul celui de-al doilea razboi mondial), a fost ridicat de la domiciliu cu familia sa, si bagat in ghetoul din Sighet, Romania, apoi deportat la lagarul german de concentrare de la Auschwitz-Birkenau unde a fost tatuat cu numarul A-7713. Cand lagarul de la Auschwitz-Birkenau a fost eliberat de Armata Rosie, Wiesel a preferat de buna voie, sa plece cu garda de securitate nazista care la incarcerat acolo, decat sa fie eliberat de catre soldatii sovietici. In lagarul nazist, Wiesel, a fost operat la un picior de doctorii nazisti, pentru a-i salva viata si imbunatatii conditiile de sanatate, iar acum se da drept "mare victima" al holocaustului nazist, si condamna aspru Germania si tarile aliate cu AXA. Vorba unui proverb din Romania "Pe cine nu-l lasi sa moara, nu te lasa sa traiesti". Recent jidanul Bernard L. Madoff a furat chiar de la jidanii lui zeci de miliarde de dolari, si a fost lasat de justitia Americana sa traiasca in lux si belsug in casa de pe acoperisul unui bloc inalt din Manhattan, New York. Tot astfel in WWII foarte multi jidani, pentru a trai ei bine, i-au tradat pe jidanii lor la nazisti. O dovada in aceasta privinta este filmul pornographic "Schindler's List" cu care jidanii au crezut ca vor reusi sa faca o educatie lumii, numai ca s-au dat de gol cum unii jidani ii manau la munca pe jidanii lor ca pe animale. In Statele Unite legea este foarte toleranta cu jidanii escroci ca Madoff, iar daca cineva ii critica pe acesti jidani, primesc "penalitati serioase" pentru manifestari anti-jidanesti, considerate "Anti-Semite". Sunt curiosi daca Elie Wiesel, care a pierdut 15 milioane de dolari ai Fundatiei pentru Umanitate (Aceasta fundatie se ocupa cu combaterea indiferentei, netolerantei si nedreptatii), ca client al lui Madoff, va fi considerat anti-semit si va primi "penalitati serioase" pentru ca la criticat aspru pe jidanul Madoff, un sarlatan, terorist si criminal financiar international. De asemenea, sunt curiosi sa aud daca Madoff, va primi "penalitati serioase" pentru anti-Semitism, pentru ca a furat banii de la jidani si organizatiile sioniste care lupta impotriva nazismului si anti-semitismului ? Ori numai jidanii au dreptul sa aplice "ura criminala" contra jidanilor si nejidanilor, fara sa primeasca "penalitati serioase" din partea legii? Sunt ei deasupra legii?! La inchisoarea Americana de la Guantanamo Bay, Cuba, este folosita tortura pentru a stoarce informatii de la teroristii si criminalii intemnitati acolo. De ce, autoritatile americane, nu folosesc aceleasi metode si in cazul teroristului si

criminalului financiar Madoff, pentru a storce informatii unde a ascuns cele 65 de miliarde de dolari care i-a furat ? Pentru ca-i jidan sionist, nu semit arab ?! Si mai pretindeti ca combateti "anti-Semetismul" cand se stie bine ca autoritatile americane, folosesc cele mai crude metode de exterminarea semitilor arabi, pe care i-a folosit in lupta din Afganistan contra Uniunii Sovietice si-i numeau atunci luptatori pentru libertate, iar acum ii numesc "teroristi". Creind un pretext pentru a impresiona opinia publica, ca justitia Americana a confiscat bunuri si imobile in valoare de peste 100 de milioane de dolari, aflate in posesia lui Madoff, este o mare smecherie cu care sunt prostiti oamenii naivi. Eu nu neg ca jidanii n'au suferit ori n'au fost ucisi in timpul nazismului, pentru ca ei au ruinat economia si industria Germaniei, ori ca ei au instalat regimul comunist in Rusia si intentionau sa-l instaleze in Germania si alte tari europene, motiv pentru care Adolf Hitler a pornit razboi contra judeo-bolsevichilor sovietici, dar eu resping pretentiile jidanilor ca in Romania a fost un holocaust impotriva lor. Din contra judeo-comunistii au facut un holocaust rosu impotriva Natiunii Romane, pacii si umanitatii. Din sursele prezentate de reprezentantii organizatiile jidanesti din Romania dupa cel de-al doilea razboi mondial, rezulta clar ca circa 40 000 de jidani au murit in Romania in timpul regimului militar-fascist al Maresalului Antonescu si Garzii de Fier. Acum, pentru a storce bani din Romania, cercurile elitei sioniste, au adaugat un zero la cele 40 000 de mii de jidani morti si pretind ca 400 000 de jidani au murit. Aceasta este inacceptabil ca o fapta adevarata ! Marele preot al "holocaustului", Elie Wiesel, care vaneaza memoria eroilor si martirilor Romaniei, pentru a intari aceste acuzații false ale suprematiei sioniste, a spus ca "Romania a ucis, a ucis, a ucis", si aceasta este o nebulie. Istoricii si oamenii de rand, au frica sa verifice aceasta, ori sa vorbeasca depre acest subiect, pentru ca ei au teama sa nu fie acuzați de catre jidani de anti-semitism si pedepsiti de legile introduce de jidani in multe tari, inclusiv in Romania. Oricum, sa nu credeti nici pentru o secunda ca eu sunt un anti-semit pentru ca eu spun toate acestea. Nu, eu nu sunt un anti-semit, ci doar impotriva anumitor jidani si sunt anti-sionist pentru ca ei sunt fondatorii socialismului si comunismului si sunt responsabili pentru abuzurile, teroarea, crimele, genocidul si holocaustul rosu comis de catre regimul judeo-sionisto-comunist din tara mea natala Romania, impotriva Natiunii Romane, pacii si umanitatii. De asemenea, jidanii sunt responsabili pentru holocaustul impotriva populatiei palestinene. Anti-Semiti sunt jidanii prin faptul ca au sters Palestina de pe fata Pamantului si au o ura fanatica si criminala impotriva celor peste 300 de milioane de arabi-semiti, care sunt cei mai indreptatiti sa reprezinte rasa semitica, nu jidanii, a caror majoritate sunt descendentii din Kazaria, niste oameni semi-nomadici turci care s-au convertit la Judaism. Poate ca dvs. nu sunteti de acord cu mine, dar acesta este adevarul istoric, iar jidanii nu pot ascunde la infinite aceasta realitate ori sa rescrie propria lor versiunea istorica dupa bunul lor plac. Faptul ca jidanii din Europa se trag din Kazaria a fost scos in evidenta si de istoricul jidan Arthur Koestler in cartea sa "The Thirteenth Tribe" (Random House, Inc, New York-1976). Mai multe informatii despre originea khazara a jidanilor din Europa se pot gasi pe Web-siturile: <http://www.khazaria.com>; <http://www.khazaria.com/brook.html>; <http://www.zionism-israel.com/issues/khazars.html>, si <http://www.khazaria.com/khazar-diaspora.html> Asadar, majoritatea jidanilor din Europa, Statele Unite si Israel, nu sunt descendentii din Judeea ori Israel si daca s-ar face o analiza DNA a sangelui s-ar constata cu usurinta originea lor turcomana, nu semita. Si nu inteleg de ce adevaratii jidani se lasa manipulati de catre jidanii din Khazaria, de origine turca ?! Cum adica, daca un chinez ori un negru, ori un alb se converteste la Judaism, acesta este jidan de origine ? Niciodata! Asa dupa cum probabil stiti comunismul si socialismul international nu a fost inventat de catre poporul rus, ci este opera jidanilor de sclavizarea si dominarea lumii. Si dovada este ca cei mai marcanti lideri ai ideologiei comuniste si international socialiste ca: Adam Weisshaupt – fondatorul Ordinului Iluminatii, o societate secreta a Noului Ordin Mondial; Friedrich Engeles si Karl Marx (Kissel Mordekay)- teoreticienii sefi ai internationalei comuniste; Homosexualul Vladimir Ilyich Lenin (Israel Blank) – fondatorul Judeo-Bolsevismului si primul conducator al Republicii Socialiste Sovietrice Ruse din 1917 pana in 1924 ; Leon Trotsky (Lev Davidovich Bronstein) – fondatorul Armatei Rosii; I.V. Stalin (Dzhugashvili)- arhitectul sef al totalitarismului sovietic din 1929 pana in 1953; Felix Edmundovich Dzerzhinsky –fondatorul politiei secrete bolsevice Cheka; Lavrenty Pavlovich Beria- sef al securitatii sovietice si al politiei secrete sub Stalin, NKVD; Ivan Aleksandrovich Serov –sef al politiei secrete

sovietice KGB; Ana Pauker – lider al Partidului Comunist Roman; Walter Roman-Neulander – fondatorul Politiei Secrete Romane (Securitatea); Vasile Luca – seful justitiei comuniste; Emil Botnaras – fondatorul Armatei Rosii comuniste din Romania; Alexandru Draghici – ministru al afacerilor interne (Militia); Col.Coler – commandant al inchisorilor comuniste de exterminare din Romania si multi alti, au fost in exclusivitate jidani sadea ori casatoriti cu jidauce. Lenin si clica lui au instalat comunismul la putere in Rusia cu suportul finaciar al jidanilor bogati din vest ca, Jacob Schiff, fratii Wartburg si alti bancheri jidani, precum si cu ajutorul moral si fizic a sute de jidani socialisti din New York (Manhattan West Side), care voluntar s-au deplasat in Rusia sa instaleze comunismul si sa-l experimenteze. In numele comunismului si socialismului, acesti judeo-comunisti, au comis cele mai sinistre si sangeroase acte de teroare, crime, genocid si holocaust rosu, contra natunii ruse si a altor natuni. Acum, dupa ce jidanii au instalat si condus regimurile tiraniei comuniste, incearca sa pozeze in victime ale acestor regimuri, ca si hotii care dupa ce fura, sutin ca sunt nevinovati. Iar pentru a fugi de responsabilitate incearca sa dea vina pe cativa romani, rusi, ucraineni, polonezi, germani ori de alte nationalitati, care au fost pusi de forma in fata si care din nativitate au acceptat sa faca jocul jidanilor sionisto-comunisti. Intr-un declaratie facut la Conventia din Philadelphia, Benjamin Franklin(1706-1790), unul dintre fondatorii Statelor Unite si dintre cele mai faimoase si talentate figuri din istoria nationala" referindu-se la jidani, a spus: "Exista un mare pericol pentru Statele Unite. Acest pericol sunt jidanii. Domnilor, in toate tarile in care jidanii s-au stabilit in numar mare, ei au scazut nivelul moral si au redus onestitatea retelei comerciale. Ei au creat un Stat in Stat, iar cand cineva se opune lor, ei atenteaza la sugrumarea finatelor nationale asa ca in cazul Portugaliei si Spaniei. Daca nu vor fi exclusi din Statele Unite de catre Constitutie, in mai putin de cateva sute de ani, ei vor patrunde intr-un numar atat de mare incat ei vor conduce si ne vor distruge, apoi vor schimba forma noastra de guvernare (modul de organizare a societatii in stat) pentru care americanii si-au varsat singele, si-au sacrificat viata, proprietatea si libertatile individuale. Daca jidanii nu vor fi exclusi in cel putin de 200 de ani, copiii nostri, vor munci pe camp sa-i hraneasca pe jidani, iar ei vor ramane in Casa de Bani frecandu-si mainile. Eu va avertizez domnilor, daca jidanii nu vor fi exclusi pentru totdeauna, copiii vostri si copiii copiilor vostri va vor blestema in mormantul vostru. Ideile lor nu sunt acele ale americanilor. Iar leopardul nu poate sa-si schimbe naravul. Jidanii sunt un pericol pentru acest pamant, si daca li se vor permite intrarea, ei vor impune institutia lor. Ei trebuie exclusi din Constitutie!" Acesta este un mare adevar istoric si sper ca dvs. si colaboratorii dvs., nu veti indrazni sa-i acuzati, pedepsiti si sa-i scoateti din istoria Statelor Unite pe fondatorii acestei tarii, pentru ramaricile si manifestarile lor impotriva jidanilor. Ori sa-i inlocuiti pe acestia, cu cei despre care parintii Americii au spus ca reprezinta un pericol pentru acest pamant. Sub pretextul ca combateti "anti-Semitismul" dvs. si colaboratorii dvs. intentionati sa suprimati primul si al doilea amendament al Constitutiei Americane, sa puneti legi jidanesti in Statele Unite ca in Israel si sa transformati aceasta nobila Natune Americana intr-un chibut jidanesc. Eu nu cred ca americanii , care si-au pierdut casa, masina, lucru, ajutorul scolar, asigurarea medicala si abia reusesc sa traiasa de la o zi la alta chiar le pasa de jidani si legile contra "anti-semitismului" pe care planuiti sa le impuneti in Statele Unite la adapostul democratiei. Daca dvs., probabil ca descendent german, doriti sa tineti spiritul "holocaustului" si al "anti-semitismului" in viata este problema dvs., dar pentru restul omenirii aceasta este o chestiune controversata si demagoga. Acum omenirea este preocupata de criza economica, poluarea atmosferica, combaterea bolilor, somajului, inflatiei, razboaielor nimicitoare din Irak si Afganistan, razboiul contra drogurilor, saraciei, infometarilor, genocidurilor din Africa si alte probleme grave. Inainte de a incheia aceasta scrisoare, pentru a intelege mai bine ce fel de caracter si logica aveti, doresc sa stiu daca dvs. condamnati holocaustul rosu comis de judeo-comunisti impotriva Natunii Romane, pacii si umanitatii, in aceiasi masura in care condamnati holocaustul nazist german contra jidanilor ? De asemenea, doresc sa stiu ale cui interese le serviti dvs., ale natunii americane, ori ale organizatiilor suprematiei sioniste si Israelului ? Eu doresc sa stiu acest adevar, pentru ca numai adevarul conteaza ! A cere aducerea fostilor jidani comunisti in fata justitiei si pedepsirea lor pentru abuzurile, crimele, genocidul si holocaustul rosu, pe care le-au comis in timpul Imperiului Diabolic Comunist contra a zeci de milioane de europeni inocenti, nu inseamna nici pe departe o

manifestare "Anti-Semita", ori "ura si incitare la violenta impotriva jidanilor". Din contra, acesta este un act de dreptate, care daca nu va fi pedepsit de catre lege, va fi pedepsit de catre Dumnezeu, asa cum s-a intamplat de nenumarate ori in istorie. Si nu este drept ca pentru ambitiile diabolice si anti-umane ale unor jidani sionisti sa indure jidanii ordinari care nu sunt implicati in aceasta conspiratie, ci muncesc din greu si cinstit pentru o viata decenta si fericita. Ori pentru jidanii sionisti si comunisti nu exista lege pentru ca ei sunt deasupra tuturor legilor ? Astept raspuns. Va multumesc pentru timpul acordat si sper sa-mi raspundeti cat mai curand posibil. Cu stima, Constantin Burlacu, PhD Presedinte al Ligii Apararii Nationale P.O. Box 292 Brooklyn, NY 11237 Tel/Fax: 718-381-3804 E-mail: DACIALAN@AOL.COM JEWS ARE ANTI-SEMITIC, AND AGAINST HUMANITY =OPEN LETTER= April 17, 2009 The Hon. Christopher H. Smith (R-N.J.) House of Representatives Washington, DC Office 2373 Rayburn House Office Building Washington, D.C. 20515 p 202-225-3765 f 202-225-7768 Dear Mr. Smith: I would like to start by introducing myself. My name is Constantin Burlacu and I am a nationalist, an anti-communist and a freedom fighter descending from Romania. I came to the United States with my family in 1980 as a political refugee, escaping the persecutions endured under the communist dictatorship regime during the times of the former Socialist Republic of Romania. After establishing myself in this new country, I continued fighting the tyranny of the communist regime still taking place in my native country. Thanks to the American patriot and hero, Ronald Reagan, for who I have great admiration and respect, the anti-human communist evil empire in the former Soviet Union, and other former communist countries collapsed. I sacrificed many years out of my life fighting the communist monster, but the wounds have not yet been vindicated. From exile, in 1985, together with other Romanian patriots, we revived the League of National Defense, an ultra-nationalist Romanian organization founded on March 4, 1923 in Iasi, Romania, to defend the Romanian national cause and fight against the Jewish-communist conspiracy. And you can only imagine how proud I am, with my contributions in destroying the communist evil empire in Romania and other former communist countries, and that today the people of my native country can breathe the free air of liberty and democracy. As an American citizen, I fight to protect the American Constitution and liberty. And I am against left-wing internationalists who try to destroy this great nation, especially the First and Second Amendments and attempt to transform democracy into a tyranny, as it was in the former Soviet Union. From the American press, specifically the American Free Press (AFP) from Washington D.C., I found out that you recently participated in a Conference on Anti-Semitism in London and occupy most of your time with "Semitism" and "anti-Semitism", instead of the serious issues which the U.S. is facing today including the economic and financial crisis, and industrial, commercial and social problems. Why? Are Jews more important to you than Americans, or are the interests of Israel more important than those of the U.S.? Or do you believe in the false story of Jews being "God's chosen people", is this why you give them so much attention? If so, can you show me in the Talmud or in the Bible a single word written by God, with his hand, where it proves that Jews are the "Sons of God" and should have supremacy in the world?! If they are truly the Sons of God, do you believe that God would have allowed them to be infected with leprosy and other contagious diseases; enslaved by the Egyptians and the Roman Empire; endure pogroms in Russia and other countries, or endure a Nazi "holocaust"?! Furthermore, it is also known that Jewish communists were atheists; they didn't even want to hear about God. So how could they be considered the "Sons of God" or "Sons of Light"? Not at all! In the article "Rep. Chris Smith Pushes Global Scheme to Hunt Down, Punish "Anti-Semites" published by the AFP (www.americanfreepress.net), Michael Collins wrote: "This should be a concern to all Americans and other people around the globe who value freedom of expression. It is a signal that Smith and others of like mind are actively planning the institution of legal measures to curtail freedom of speech that is perceived to be critical of the political agenda of the organized Jewish community, including the interests of the state of Israel. In this regard, it is important to recognize that although the term "anti-Semitism" has historically been said to be hostility toward or discrimination against Jews as a religious or racial group (although Arabs are Semites), the meaning of the term has been broadened in recent years to include even criticism of the actions of the state of

Israel as well as opposition to Zionism, the movement that established the state of Israel and which maintains a global support network for Israel." This is a very alarming situation, and because of this, before you impose dictatorship-like laws in the U.S., with "serious penalties" against people who tell the truth about how bad and dangerous Jews and Israel are for humanity, please let me know how you define the terms White, Black, Asian, and Semitic, as a race or a religion? I ask this of you because a great deal of people intentionally mix-up the ethnic term of Semitism with the ethnic term of Judaism. As far as I know, the term "anti-Semitism" was invented 150 years ago in Germany, by a German journalist, and now another German by the name of Smith brings up and condemns the phenomenon of "anti-Semitism". Taking into account these circumstances, the term "anti-Semitism" is exclusively a strict German-Jewish problem and I don't understand why you try imposing this as a global concern? My family and I, and millions of innocent Romanians from Romania and Moldova were victims of the Jewish communist evil empire imposed in our country by the Soviet Bolshevik-Jews. During the Zionist-Communist tyrannical regime in Romania and Moldova, over one million innocent Romanians were killed, more than one million two hundred thousand were deported to the Soviet Russian Gulag, and over five million Romanians –peasant, working, and intellectual class –were brutally persecuted and tortured in communist prisons by Jews, or by Jewish orders, who ruled the communist oppressive apparatus. And I don't understand why you would want to prohibit the rights of millions of Romanians including myself, victims of the Jewish Communist tyranny, to speak freely about the bloody persecutions endured under the Jewish Communist dictatorship, or consider revealing these facts to be labeled as "hate crimes", or to "incite violence against Jews", or being "hostile to Jewish interests or the state of Israel"??? It is well known that when the Nazi regime collapsed in Germany, the U.S., immediately brought the Nazis to justice, punished them severely, and imposed a program of denazification. Why, when the communist regime collapsed in 1990, in Russia and Eastern European countries, didn't the U.S. impose a program of decommunization to bring communists to justice so they can be punished for the abuses, crimes, genocide, and red-holocaust they committed against over 60 million innocent people, is it because communism was created and controlled in majority by Jews with a Marxist-Leninism left-wing ideology? This is ridiculous and unjust! It is completely unfair that those who tried bringing the truth to light about the Jewish conspiracy and the holocaust industry are drastically criticized and condemned in Germany, while the Jewish communists who ruled East Germany and other former communist countries that committed the most horrible acts of violence, terror and crimes, are walking freely throughout Europe, the U.S. and Israel. In a statement you mentioned: "Holocaust remembrance and tolerance education must dramatically expand, and we need to ensure that our respective laws punish those who hate and incite violence against Jews." You speak a great deal about the Nazi "holocaust" against the Jews which took place in Germany, but you don't mention a single word about the crimes, genocides and holocaust that took place right here in America against Native Americans. How come? Were they not also humans? Beside this, American Indians had a culture and civilization much older and more important than that of the Jews. Even today when the U.S. forcefully imposes democracy around the world with their Army, Native Americans are kept in reservations and denied the rights to their own land. I was not born during the so-called "Nazi holocaust" against Jews, but like many others I ask myself the same question "Did Six Million Jews Really Die" during WWII? So, not more or less, exactly six million Jews died? Interesting, isn't it?! And since you are an "expert" in the topic of the "holocaust" and "anti-Semitism", can you tell me how these six million Jews were killed by the Nazis? Were they shot by the German death squad, gassed, incinerated, starved, diseased, or died from natural causes? And how many Jews died by being shot by the German death squad? How many in the gas chamber? How many were burned alive in the crematorium? How many from starvation? How many from disease? And how many from natural causes? Also, can you please provide a list with the names of the six million Jews who died during the Nazi holocaust? Or should these facts not be exposed officially, and are these questions considered manifestations of "anti-Semitism" or acts that are "hostile to Jewish interests or the state of Israel"? How can it be possible to know exactly which art objects were confiscated by the Nazis from Jews, and later taken by Anglo-American and Soviet soldiers and

sold in New York, Paris, London, Moscow, or other places, but it is not known from official German registers and other European nations the names of the Jews that disappeared during the Nazi holocaust? Let's be serious Mr. Smith! According to the Israeli historian Bryan Mark Rigg, in his book "Hitler's Jewish Soldiers" (University Press of Kansas, 2002) he points out that many Jews held high positions in the Nazi Military and Party, but Jews don't blame those Jewish-Nazis for what happened to them during the Nazi "holocaust". They don't want to talk about this, and only accuse German descendents for being responsible for the Nazi "holocaust".

Another Jewish historian, Norman G. Finkelstein, who wrote the book "The Holocaust Industry -- Reflections on the Exploitation of Jewish Suffering" (USA: 180 Warrick Street, New York, NY 10014-New Left Books, 2003), in which he mentioned that Jewish survivors of the Nazi holocaust only received a minimum compensation from the tens of billions of dollars paid by Germany, while the rest, a very large sum of money, was retained by Jewish Zionist organizations, which had nothing to do with the "holocaust". For purposes of extorting money from Germany, Jews claimed that 6 million of their people died under Nazis, but they never proved this by indexing their official names from archived records, which is unacceptable as a fact. There is no doubt that the so-called Nazi holocaust is an industry to collect as much money as possible, which is unjust. At the former concentration camp in Auschwitz, until 1994, there was a commemorative plate which had an inscription that four million Jews died there. Later that plate was replaced with another which had an inscription that 1.2 million Jews died. So, which one of these two death counts is correct, either 4 million or 1.2 million, or are both of these evidences false? A Nazi holocaust survivor, Eliezer "Elie" Wiesel "Lazar", born in West Romania (a region illegally occupied by the Hortist Army of Hungary during WWII), was taken from his domicile with his family and placed in the Romanian ghetto of Sighet and was later deported to the German concentration camp at Auschwitz-Birkenau where he was tattooed with the number A-7713. When the Auschwitz-Birkenau concentration camp was liberated by the Soviet Red Army, Wiesel on his own will, preferred to go with the Nazi security guards, who held him in custody instead of being set free by the Soviet soldiers. In the Nazi camp, Wiesel had surgery performed on his leg by Nazi doctors, saving his life and improving his health condition, now he acts like the most important Nazi holocaust victim and condemns Germany and other countries allied with the AXA cruelly. A popular proverb in Romania states "Who you don't allow to die, won't allow you to live". Recently the Jew Bernard L. Madoff stole tens of billions of dollars from people, including his own Jewish kind, and was allowed by the American justice to enjoy living in his luxurious penthouse in Manhattan, New York. The same thing occurred during WWII, where many Jews, to have a better life, betrayed their own kind to the Nazis. As an example of this, take the pornographic movie "Schindler's List" in which the Jews hope to succeed educating the world with, but they fooled themselves when Jews forced other Jews to work like animals. In the U.S., the law is very tolerant of Jewish crooks like Madoff, but if someone criticizes these Jews they are penalized with "serious penalties" for anti-Jewish manifestations considered "Anti-Semitic". I am curious if Elie Wiesel, who lost 15 million dollars from the Foundation for Humanity (This foundation seeks to combat indifference, intolerance and injustice), as a client of Madoff, would be considered an anti-Semite and receive "serious penalties" for harshly criticizing the Jew Madoff, a charlatan, terrorist, and international financial criminal. I am also curious to hear if Madoff will receive "serious penalties" for anti-Semitism because he stole money from Jews and Zionist organizations which fight against Nazis and anti-Semitism? Or do only Jews have the right to commit "hate crimes" against other Jews or non-Jews, without receiving "serious penalties" by law? Are they above the law?! At the American prison camp in Guantanamo Bay, Cuba, torture is used to extract information from terrorists and criminals detained there. Why don't the American authorities use the same methods in the case of the terrorist and criminal, Madoff, to obtain information where he hid the 65 billion dollars he stole. Is it because he is a Jewish Zionist, not an Arab-Semite? And you further pretend to combat "anti-Semitism" when it is well known that the American authorities use cruel methods to exterminate Arab-Semites, which they used for the War in Afghanistan against the Soviet Union, calling them Freedom Fighters then and now call them "terrorists"? As a pretext to impress the public's opinion, the American justice confiscated cash and goods worth roughly 100

million dollars from Madoff's possessions, but this is a false ploy for the naïve. I am not denying that the Jews suffered or were murdered during the Nazi times, because they ruined Germany's industry and economy and installed a communist regime in Russia, which they also tried installing in Germany and other European countries. For these reasons Adolf Hitler started a war against the Soviet Judeo-Bolsheviks and their collaborators, and I reject the Jewish accusation that there was a holocaust against them in Romania. On the contrary, the Judeo-communists committed a red holocaust against the Romanian nation, peace, and humanity. From sources published by representatives of Jewish organizations in Romania after WWII, it was clearly evidenced that around 40,000 Jews died in Romania during the Fascist-Militaristic regime of Marshall Antonescu and the Iron Guard. Now, to extort money from Romania, the Zionist elite circle added another zero to the 40,000 dead Jews and pretend that 400,000 Jews died. This is unacceptable as a true fact! A great priest of the "holocaust", Elie Wiesel, who hunts the memories of Romanian heroes and martyrs, to strengthen the false accusations of the Zionist supremacy, stated that "Romania killed, killed, killed". That is insane! Historians and ordinary people fear verifying this or talking about this subject because they are afraid of being accused by Jews of anti-Semitism, or being punished by laws introduced by Jews in many countries, including Romania. However, don't believe for a second that I am an anti-Semite because I say these things. No, no, I am not an anti-Semite, but I'm against certain Jews and against the Zionists because they founded socialism and communism and are responsible for the abuses, terrors, crimes, genocides, and the red holocaust committed by the Judeo-Zionist-communist regime in my native country, Romania, against the Romanian nation, peace, and humanity. The Jews are also responsible for the holocaust committed against Palestinians. Anti-Semites are Jews through the fact that they erased Palestine from the face of the Earth and have a fanatical and criminal hate against over 300 million Arab-Semites, who are the ones most entitled to represent the Semitic race, not the Jews, who the majority of which have descended from Khazaria (650-1016 A.D.) a semi-nomadic Turkic people who converted to Judaism. Perhaps you don't agree with me, but this is historical truth, and Jews can't hide this reality forever or rewrite their own international Jewish version of history just as they please. The fact that Jews in Europe are originally from Khazaria was proved by the Jewish historian Arthur Koestler in his book "The Thirteenth Tribe" (Random House, Inc., New York-1976). More information about the origins of Jews from Khazaria in Europe can be found on the following websites: <http://www.khazaria.com>; <http://www.khazaria.com/brook.html>; <http://www.zionism-israel.com/issues/khazars.html>; and <http://www.khazaria.com/khazar-diaspora.html>. So the majority of Jews in Europe, U.S. and Israel, are not descendants from Judaea or Israel. I am sure that they would refuse, but if a DNA analysis could be performed on them, it would be simple to establish their Turkish origin and not a Semite one. I don't understand why real Jews would allow themselves to get manipulated by these "Jews" from Khazaria with Turk origins?! In other words, if an Asian, a Black person, or White person converts to Judaism he becomes Jewish by origin? Never! I'm sure you know that international communism and socialism was not created by Russians, but founded by Jews to enslave and dominate the world. The proof is evidenced by the fact that the most prominent leaders of the communist and socialist ideology, such as: Adam Weisshaupt – the founder of the Order of Illuminati, a secret society of the New World Order; Friedrich Engels and Karl Marx (Kissel Mordekay)- the chief theoreticians of international communism; The homosexual Vladimir Ilyich Lenin (Israel Blank) - the founder of Judeo-Bolshevism and the first head of the Russian Soviet Socialist Republic from 1917 to 1924; Leon Trotsky (Lev Davidovich Bronstein) - the founder of the Red Army; I.V. Stalin (Dzhugashvili)- the Chief Architect of Soviet totalitarianism from 1929 to 1953; Felix Edmundovich Dzerzhinsky - the founder of the Bolshevik secret police, the Cheka; Lavrentiy Pavlovich Beria- the Chief of the Soviet security and secret police apparatus under Stalin, the NKVD ; Ivan Aleksandrovich Serov - the head of the Soviet secret police, the KGB; Ana Pauker – the leader of Romania Communist Party; Walter Roman-Neulander – the founder of Romania Secret Police (Securitatea); Vasile Luca – the chief of communist justice; Emil Botnarus – the founder of the Romanian Communist Red Army; Alexandru Draghici – the minister of communist Internal Affairs (Militia); Col. Coler – the

commander of Romania communist prison of extermination and many others, were all true Jews or got married to Jewish women. Lenin and his clique installed communism in power in Russia with the financial support from rich Jews from the West, such as Jacob Schiff, the Warburg brothers, and other Jewish bankers. Also, voluntarily thousands of far-leftist Jews from New York (Manhattan, West Side) went to Moscow to help Lenin, both morally and physically, to install communism to power and experiment it. In the name of communism and socialism, these Jewish-communists committed the most sinister and bloody acts of terror, crimes, genocide, and red-holocaust against the Russian nation and other nations. Now, after the Jews installed and rule the communist tyranny regime, they try to pose as victims of this regime, just like thieves who after stealing pretend they are innocent. And to escape from their responsibility, Jews try blaming some Romanians, Russians, Ukrainians, Polish, Germans, or other ethnic groups who naively accepted being put on the frontline and play the Jewish Zionist-communist game. In a statement made at the National Convention in Philadelphia, Benjamin Franklin (1706-1790), one of the Founding Fathers of the United States of America, and one of the most famously multi-talented figures in the nations history, referring to Jews, said: "There is a great danger for the United States of America. That great danger is the Jew. Gentlemen, in which ever land the Jews have settled, they have depressed the moral level and lowered the degree of commercial honesty. They have created a State within a State, and when they are opposed, they attempt to strangle the nation financially, as in the case of Portugal and Spain. If they are not excluded from the United States by the Constitution, within less than a hundred years they will stream into this country in such numbers that they will rule and destroy us, and change our form of government for which Americans have shed their blood and sacrificed life , property, and personal freedom. If the Jews are not excluded, within 200 years our children will be working in the fields to feed the Jews, while they remain in the Counting House rubbing their hands. I warn you gentlemen, if you do not exclude the Jew forever, your children and your children's children will curse you in your grave. Their ideas are not those of Americans. The leopard cannot change his spots. The Jews are a danger to this land, and if they are allowed to enter, they will imperil its institutions. They should be excluded from the Constitution!" This is an important historical truth and I hope that you and your collaborators don't try to accuse and punish, or eliminate the founders of this country from U.S. history for their remarks and manifestations against Jews. Or replace them with those that our American fathers warned would represent a great danger to this land. Under the pretext that you combat "anti-Semitism", you and your collaborators intentionally try to suppress the First and Second Amendment rights of the American Constitution; impose Jewish law in the U.S. as in Israel, and transform this noble American nation into a Jewish Kibbutz? I don't believe that Americans who lost their homes, cars, jobs, scholarships, and medical insurance and are now barely able to live day-by-day care about Jews and the Jewish laws against anti-Semitism which you plan to impose in the U.S. under the protection of democracy. If you, as a German descendent, wish to maintain the spirit of the "holocaust" and "anti-Semitism" alive, this is your problem, but for the rest of the world this is a very controversial and demagogue issue. Currently the world is preoccupied with the economic crisis, the climate changes, fighting disease, unemployment, inflation, the unpopular war in Iraq and Afghanistan, the war against drugs, starvation, poverty, genocide in Africa and other crucial problems. Before I close this letter, so I can understand the type of character and logic you have, I would like to know if you condemn the red-holocaust committed by the Jewish-communists against the Romanian nation, peace and humanity, in the same measure that you condemn the German-Nazi holocaust against Jews? Also, I would like to know whose interests you serve, the American nation or the Zionist supremacy organization and Israel? I would like to know this truth because only the truth matters! Asking to bring former Jewish communists to justice to punish them for their abuses, crimes, genocides, and red-holocaust committed during the times of the communist evil empire against tens of millions of innocent Europeans, does not mean an "anti-Semitic" manifestation, or "hate and incite violence against Jews". On the contrary, this is act of justice, which if not punished by law, will be punished by God, just like it happened many other times in history. And it is not fair for innocent ordinary Jews, who are not implicated in this conspiracy, and work hard and honestly for a

decent and happy life to endure the punishment for the diabolic acts of some Jewish-Zionists. Or do laws not exist for Jewish-Zionists because they are above all human laws? I am awaiting your reply. Thank you for your time and I hope to hear from you as soon as possible. Sincerely yours, Constantin Burlacu, PhD President of the National Defense League P.O. 21/7/2009 15:29:24 Iarisa (guest): Buna ziua! Am mai scris aici si prin mail, dar cred ca nu ne baga nimeni in seama. Sunt curioasa daca cineva a primit vreodata vreun raspuns sa anunte pe aici, sa stim si noi ca nu ne pierdem timpul degeaba. Nu sa se rezolve cererea, ci sa stim ca nu scriem ca prostii fara sa citeasca nimeni, ca doar ce rost mai are? Eu revin cu aceeasi problema. Locuiesc pe B-dul Mamaia si am nevoie de niste gard viu si trandafiri, daca se poate. Nu pt gradina mea personala, ci pt spatiul verde de la bulevard. Admir pe mijlocul strazii verdeata si florile. Si eu am cumparat, si mai am toate chitantele, foarte multi trandafiri, i-am plantat si in noaptea de flori au fost furati. Pentru ca am perseverat mi-au ramas ceva trandafiri si se pare ca inca mai cresc. Ii stropesc, ii ingrijesc in ciuda celor care ii fura inainte de 6 dimineata!! Dar se poate sa trimiteti pe cineva cu gard viu? De la primarie de 3 ani nu am vazut niciun fir de gard!!!
